Litter Tattoo and Certification Form

All information must be typed or printed neatly

Completed Litter Tattoo and Certification Form must be sent to USA Office along with the Litter Registration Application within one week of tattooing. Puppies should be tattooed between six and eight weeks of age. The Tattooer must be a USA Tattooer, Regional Breed Warden or a licensed veterinarian (upon approval by the Regional Breed Warden). The person who performs the tattooing must sign this form. The breeder may not tattoo his/hers own litter. USA Pedigrees will be issued when all litter registration requirements are met.
