

# South Michigan Schutzhund and Police Club

June 27-29, 2014  
USCA Ann Marie Chaffin

Come join us in rural Manchester, Michigan. Very nice medium/large field, permanent blinds that run left to right, grass tracking right on location, plenty of parking, guests welcome.

FH fields are limited. **Please contact for availability.**

**Note: There is a \$25 fee for all exhibitors who are NOT USCA members. Proof of USCA membership required to be sent with entry.**

We will meet at 6:30 at the club grounds. Tracking to start promptly at 7:00. Obedience and Protection to follow. **Start time may change as we get closer to the trial.**

\*\*AD will be run Sunday morning, 8:00, at Heritage Park in Adrian, MI. Grass/dirt for the dogs and pavement for the bikers **(No AD at the spring trial)**

Food and Refreshments will be available. Come and enjoy the *Super Raffle* on Saturday which offers training aids, leashes, boots, collars and many other items.

Red Roof Inn Ann Arbor  
3505 South State Street  
Ann Arbor, MI 48108  
734 - 665 - 3500  
13 miles

## ***DIRECTIONS***

*From the South:* Take US 23 north to the Dundee/M-50 exit 17 (exit for Cabela's). Turn left heading west. Follow into Tecumseh. Turn right onto N. Evans (old RR tracks cross M-50). Follow north (turns into Clinton/Tecumseh rd.) through Clinton. After going through Clinton go approximately 3.5 miles to Kies rd (gravel road) which forks to the right. Go to first cross rd, Burmeister, and turn right. Go about 2/3 of a mile to 11700 Burmeister, left side of the road. Wood and mesh fencing just before a curve. Take second drive.

*From the north:* M-52 south through Manchester (there is a 4 way stop) you will go straight (sort of an angled straight). At blinking yellow light go straight onto Austin Rd. Follow approximately 3 miles to Clinton road, turn right. This is the ONLY road going to the right once you are on Austin road. Turn left at the first road, Burmeister (gravel). Go through stop sign. We are about 2/3 of a mile down, on the left (north) side of the road. 11700 Burmeister. Wood and mesh fencing, just before a curve. Take second drive.

*From the East:* US-12 towards Saline (west). Follow all the way through Saline. Turn right onto Austin rd (light on the far west side of Saline). Follow Austin through a small town

(speed limit goes down, blinking light, goes back up to 55). After the speed limit increases take first left which will be Schellenberger, gravel road. Follow to stop sign and turn right. Follow to next stop sign and turn right. IGNORE the road signs here. Just follow the directions. Go through the S curve and we are on the right (north) side of the road just as you come out of the curve. 11700 Burmeister. Wood and mesh fencing. Take first driveway.

*From the North East:* You will want to take US23 south to M-14 west to I-94 west to the Baker Rd/Dexter exit (2nd exit after getting on 94). Turn left at end of ramp. At "T" turn right onto Jackson. At next light turn left onto Parker. You will go quite a ways (through a 4 way stop) and Parker will eventually follow a sharp curve to the right and turn into Pleasant Lake Rd. You will go through a very sharp 'S' curve and after that watch for the next cross road and turn left onto Schneider. Follow to 'T' and turn left onto Austin. Take very next right onto Schellenberger (gravel road). At 'T' turn right onto Burmeister. At next stop sign turn right again (ignore road names, just follow directions), go through the 'S' curve and we are on the right. 11700 Burmeister.

*From the West:* I-94 East to exit 159/Chelsea/M-52. Turn left onto M-52 heading south towards Manchester. In Manchester go straight at 4 way stop (sort of a kiddy corner straight). Road will curve towards the east. At blinking yellow light go straight onto Austin Rd. Follow to first right (about 3 miles) which is Clinton Rd. Take to first left, Burmeister rd. Go through stop and club is 2/3 of a mile down on the left (north) side of the road.

*From the S.W.:* I-69 north to US-12 and turn left/east. Follow all the way into Clinton. At the light in Clinton turn left (north). Follow about 3.5 miles to Kies which forks off to the right. Turn right at next cross road, Burmeister, then go 2/3 of a miles and the club is on the left (north).

For other directions please contact Lisa Clark.
