Covered administrative area with big screen tv's including real time updates on scores. There are gates in place and the facility will be secure overnight for vendor booths.

Sod Farm

We have access to 250 acres of sod spanning 3 locations. The first picture is the actual field we used for our fall trial. The second picture is an aerial of <u>one</u> of the locations. The field we used for the fall trial is shown with a red area. Sod location is 35 – 50 minutes from stadium depending on traffic and location.
