## **Bid for Nationals 2021**

**O.G. Indianapolis is aware of and appreciates what was done in preparations for the 2020 Nationals in California. Due to the pandemic canceling both the Nationals and General Board Meeting we would have supported the event returning to California in 2021. However, in a year that the General Board meeting is of paramount importance, we feel that a central location (with a historically large entry, easy access to the location, and an extremely experienced club with over 55 members ready to assist) all but ensures that we will have not only a large entry, but a quorum for the general board meeting as well.**

**With no intent to insult or minimize the efforts of the club(s) in California, we respectfully submit our bid for the 2021 USCA Nationals.**

**O.G Indy has a very strong club of over 55 members ready to host an excellent national championship! We have an excellent venue with excellent food and all refreshments available all weekend long. There is plenty of room for parking and an exercise area for the dogs as well as room for holding the draw and General Board meeting. The stadium field is of regulation size and has been used for 2017 Nationals and 2020 MER Regionals. Tracking will be on green lush sod. (photos included)**

**We look forward for the opportunity to host the 2021 USCA National Championship.**

**Thank you,**

**Mike Diehl**
