Must indicate if you are a USCA member or Non Member. Different process, slightly different entry forms

USCA Event Entry Portal
Your Gateway to Entering USCA Events

Before you can select a USCA event to enter, you MUST indicate if you are a USCA member. YOU DO NOT NEED to be a USCA member to enter any USCA event. However you do need to be a member of either the GSSCC, GSDCA, SV or other recognized WUSV organization.

Are You a USCA Member? ○ Yes   ○ No

If a USCA Member

Same rules/process for setting up a log in as for Contacts to manage their events.

First time users can create a login. Membership #'s cannot begin with 0. Member must be active

After creating a password you are taken back to the login screen to enter your membership # and the new password that you entered. Once you sign-in you are taken to the Members version of the Entry Form

Form has been simplified and multiple fields have been removed. Those are related to the dog's DNA information, LUW and OCD information. Same removed for sire's and dam's

Members can click on the name of the document and actually view the document. On the non-member entry form they cannot do that. Since the membership number and expiration date is displayed on the entry form and saved for the member, they DO NOT need to upload their USCA membership card.

If their membership expires prior to the event start date, it explains above the expiration date field that they will need to renew

Same as before the member and the secretary will get an email that an entry has been received. The email message has changed a bit. It has been shorted and the link to upload any documents is no longer related to the entry form and can be accessed at any time.

Non USCA Members

- Basically the same entry form
- Must select another organization that they are a member of
- Must upload proof of membership in that organization
- Must complete all owner information
- Cannot click and view actual uploaded documents
