Club Experience:

The North Carolina Working Dogs Club hosted the first USCA RH National Championship in 2023. This event was a significant milestone for the USCA RH program.

Craig and Karen Groh have also hosted the 2010 SW Regional Sieger Show & Breed Survey.

Area

Carthage, NC is a charming town located in Moore County, North Carolina. It was founded and incorporated in 1796. The town is known for its rich history, Golfing, Equestrian & home of the Tyson & Jones Buggy Company 1800s. Our County offers various specialized Rescue resources such as Urban Search and Rescue, Swift Water Rescue, Helicopter Search and Rescue, Wilderness Search & Rescue, and Mountain Search and Rescue.

Nosework:

All Nosework testing areas are all conveniently located within short driving distances.

Area search:

We have access to 10+ acres of pine forest dedicated for Level B Area Search and an additional 5+ Acres of pine forest dedicated for Level A

Tracking will be pasture grass provided by our local farmers

Mantrailing locations will be a mixture of rural/suburban

Equipment

North Carolina Working Dogs club has all the dexterity equipment needed for all levels of RH titles.

As a final note, we would like to dedicate this event in memory to Stephanie Dunion for her dedication to the German Shepherd Dog, USCA & RH Community
