January 10, 2026

To: The National Events Committee

Blitzburg Hundesport Club is pleased to present our proposal to host the 2026 USCA IGP National Championship.

Tentative Date – November 13-15, 2026

Location – Coppermine Pantherplex
1400 Panther Dr
Hampstead MD 21074

Stadium – Grass, with track and fence barrier, and bleachers. Cafeteria available for Draw & Closing ceremonies-in case of Inclement weather. Indoor restrooms, ample space for competitor parking, separate spectator parking, space for vendors & food truck.

Tracking – Winter Wheat, +250 acres

Photographer – Brian Aghajani

This stadium was used for the 2025 USCA Northeast Regional Championship, and easily accommodated 30 competitors. The host club consists entirely of National & World Team competitors that understand event logistics. Our training director has been Trial Chair for the USCA Northeast Regional Championships for the past 15 years, and was Trial Chair for the USCA National Championship in 2019.

Access has been granted to multiple farms of +200 acres to ensure competitors tracking flights are all in the same location.

We are also placing a bid on the AWMA National Championship, tentative dates November 6-8 at the same location, with separate tracking fields (Hay) It is our intention to fill the week in between with Tracking, Helper, Training & Show Handling Seminars at different clubs in the area. Special attention will be given to keeping all trial expenses to a minimum, so competitors are encouraged to bring their families and support both Events.

Airports – Dulles International, Baltimore/Washington, and Regan National all accept 500 size crates.
