Olympic Working Dog Club is hosting a helper seminar and classification on Saturday, October 12, 2019 presented by USCA teaching helper Willie Pope Jr.

This seminar will provide theory as well as practical work for those that are interested in becoming a USCA helper, as well as the opportunity for helpers with experience to certify.

All helpers or prospective helpers as well as any USCA member or those who wish to become one are encouraged to attend this opportunity.

### What to bring

Current helpers, please bring your gear (cleats, scratch pants, trial jacket, trial sleeve, trial soft padded stick), your helper book (available through USCA), USCA membership card and a safe dog to practice and certify with.

Prospective helpers and those interested, please bring whatever equipment you have but at the very least cleats or shoes with heavy tread and scratch resistant pants (Carhartt, for example). If not current member of USCA you can sign up online before or after the event. Please bring a safe dog to practice with.

### Food

Breakfast items will be provided at the field, please plan to bring your own lunch.
